BOYD STREET PAVEMENT REPLACEMENT PROJECT

On Wednesday, June 4, 2014, Central Contracting Services, under contract with the City of Norman, will close Boyd Street to through traffic between Ponca Avenue and Oklahoma Avenue to replace the existing concrete pavement. The recommended detour route will be Ponca Avenue, Macy Street and Oklahoma Avenue. Traffic control devices will be placed to aid the traveling public. Construction is estimated to be complete on July 3, 2014. For additional information, please contact the City Project Manager, Mr. Greg Hall, at 405-329-2524 or Greg.Hall@NormanOK.gov.
